Hafeez Karamath Limited sponsored Aranguez Sports skipper, Vikash Mohan, was voted Most Outstanding Inductee of the 2012 T&T Cricket Board Academy on Friday night. Mohan, a former national Under-15 skipper who led the T&T Under-19s last year, won the honour ahead of Ewart Nicholson and Khary Pierre at the Academy, which ran from September 14th to December 2nd.

Inductees benefitted from 300 contact hours, including lectures and discussions as well as physical work, batting bowling and fielding.

Among the coaches that worked with the inductees was national senior coach David Williams, youth development coach Kelvin Williams, Rajendra Ramadhin, former West Indies opener Gordon Greenidge, Rajendra Dhanraj and Alex Burns.

Giving the valedictorian's speech, Vikash Mohan said the Academy has helped the players improve various aspects of their game. "At the end of the ten weeks, we were fitter, stronger more alert and more agile. Our skill level in the game was greatly improved, as was our ability to concentrate. We know where we came from...we know what is expected of us and we will be up to the task".

"This academy has been a tremendous experience for us all. It has helped us to strengthen the bond between us, making us more like a family, and I would like to thank the TTCB for giving us this great opportunity" the all-rounder concluded.

The Management and staff of HKL wishes to congratulate Vikash on his latest achievement and reiterate our continued support to him and his team mates at the Aranguez Sports Club as they prepare for the start of the Premiership season.
