 January 21st, 2013

Mr. Yashmid Ellis Karamath, Executive Chairman of the Hafeez Karamath Group of Companies, presents a sponsorship cheque to ASC President, Mr. Sharaz Mohammed

For the third successive year Hafeez Karamath Limited has agreed to sponsor the Aranguez Sports Club for the 2013 premiership season.

HKL took the 89 year old club under its wings in 2011 and has agreed to continue fully sponsoring it for the coming season.

This season HKL Aranguez Sports would be competing in the Trinidad and Tobago Cricket Board's Premiership Division, the highest National cricketing division, after securing promotion in emphatic style in the 2012 season.

Last year HKL Aranguez Sports, captained by Trinidad and Tobago's Under-19 skipper Vikash Mohan, dominated the East-North-East Championship Division winning both the first and reserve leagues. They also

placed second in the Divisional T20 competition and ended up as semi-finalist in the 40 over Divisional competition.

In continuing the benevolent legacy of the former Executive Chairman, the late Hafeez Karamath, current Executive Chairman of the HK Group, Mr. Yashmid Karamath, expressed his pleasure of continuing the sponsorship agreement highlighting the positive impact the Club continues to inject into the community; especially amongst the youths. Last year over 200 children participated in the Club's cricket/football coaching clinic.

Established in 1924, the HKL Aranguez Sports Club has contributed and still continues to assist in the development of well-rounded citizens through sports and the academics. It has a thriving coaching clinic geared towards promoting and developing the potentials of young people in the community and its environs. Some of the outstanding cricketers produced for the National and West Indies teams are Charran Singh, Imtiaz Ali, Vernon Sadaphal and Fyzudeen Haniff, with the youthful captain leading the West Indies Under-16 team which toured Australia in 2010. Hafeez Karamath Limited wishes Aranguez Sports the very best of luck as they prepare for the start of the Premiership season.
